

Business Testimonials

The Physicians of the Elkhart Clinic recognize their responsibility to support and participate in our Chamber of Commerce. The Biz-Ness Event we hosted offered an ideal opportunity to welcome other Chamber members into our new imaging facility. Activities like these are excellent networking events ... a way to connect with the diverse membership base of the businesses community.

Elkhart Clinic, LLC

The Elkhart Chamber Biz-Ness After Hours we hosted recently exceeded all of our expectations! Chamber staff did an excellent job of coaching us in the planning and advertising the event for us, encouraging a large turn-out. We greeted over 70 (attendees)! We even had two TV stations on site and unexpectedly found ourselves on the evening news! Any area business that does not schedule a Chamber Biz-Ness After Hours is missing an exceptional opportunity to connect with customers and the community!

Spherion Staffing

Indiana Trust & Investment Management Co. hosted our first Biz-Ness After Hours event...opening a new location in Elkhart. We were thrilled with the exposure and attendance the Chamber event provided. It allowed us to introduce ourselves and our company services to other Chamber Members. The Chamber staff was integral in helping plan the event. I highly recommend taking advantage of the opportunity a BizNess Event presents. It is a great way to promote your business, staff and services in a one on one environment. And the best part of all...it's fun!
