COVID-19 Call Center

The Elkhart County Health Department has reopened it's COVID-19 Call Center to help our community navigate through the COVID-19 pandemic and to help clarify local and statewide policy changes. If you have questions about testing sites in Elkhart County, wonder about how Public Health Orders may effect your life or have concerns about a business not operating safely, please feel free to contact us at (574) 523-2106, Monday through Friday from 9am-4pm.
