

Business Startup 101 Workshop

March 21, 4:00-5:30 PM

Greater Elkhart Chamber of Commerce

418 S. Main Street, Elkhart IN 46516

This workshop is a valuable first step in starting a business. Every successful business is built on a solid foundation, and this session covers cornerstone issues of market, management, and money. We also introduce business planning techniques, discuss how to estimate expenses and develop sales forecasts, explore funding options, and introduce helpful information resources.

Seating is limited. Register Online:
